# CODE OF CONDUCT

**As a responsible hunter, I will**

- not let pressure or the excitement of the hunt cloud my judgment
- learn and practice safe hunting techniques
- hunt wild game fairly
- know the capabilities and limitations of my gun or bow and use it safely
- obey and support all wildlife laws and report all violations
- positively identify my target as legal game and insist on a good shot
- respect the land and landowner and always obtain permission before hunting
- avoid knowingly interfering with another hunter and respect the right of others to lawfully share the outdoors
- value the hunting experience by appreciating the beauty of the game pursued, taking proper care of the meat, and properly transporting harvested game
- only display respectful photos of harvested game
- share my passion for responsible hunting with others in order to preserve our hunting heritage
